It can be confusing to understand that Canadian and American words sometimes have different spellings. So that's why I've made this pack.

Although not completely comprehensive, the list includes many of the more commonly used words. You will find a comparison list, printable flashcards, and some worksheets.

Happy Spelling!

These resources were created by Lisa Marie Fletcher at [The Canadian Homeschooler](http://TheCanadianHomeschooler.com). They were designed to help parents and teachers in their lessons. They are free for you to use. I just ask that you send people to my site if you would like to share it with friends.

All the best on your learning journey.
